## Environmental Policy and Management System

W Turnbull Excavator Hire Ltd is committed to:

- Continual improvement in its environmental performance
- Preventing Pollution
- Compliance with all environmental legislation, regulations and codes of practice relevant to the industry sector in which it operates.

It is the policy of W Turnbull Excavator Hire Ltd to:

- Make efficient use of natural resources by conserving energy and water, minimizing waste, and recycling where possible.
- Meet its duty of care requirements in relation to waste by ensuring the safe keeping, transportation and subsequent recovery or disposal of waste.
- Use recycled construction materials whenever these can be commercially justified.
- Keep transport use to a minimum and regularly service vehicles to maintain their efficiency
- Work with suppliers to ensure they recognize and reduce the environmental impact of their
- Products and transportation.

On every project we will endeavor to:

- Carry out and record an environmental pre-start site survey noting water courses, protected vegetation or wildlife and wildlife habitat.
- Plan the work to be least invasive as possible.
- Quantify waste that will be generated and plan how it may be recycled rather than disposed.
- Carry out and record weekly site environmental checks to ensure the plan is being adhered to and unforeseen issues are dealt with appropriately.
